Lovelyn Lazaro

Congratulations to our member of the month, Lovelyn! Thank you for working so hard this month and attending so many service projects!

EDITOR'S NOTE

Hi everyone! Sorry this newsletter is sooo late! We hope you have had a great April! Only a few weeks left of school, and with our senior key club members! We hope you keep up the great work you've done so far this year!!

This month we had the opportunity to host HCON and we as editors want to thank everyone that participated and took great pictures!!!

PRESIDENT'S MESSAGE

Happy April, Damien Key Clubbers! It has been exactly one month since I was elected as the President of this club, and I hope that you all will continue to support me during this new term. I appreciate all the effort from you all, especially how you attend our biweekly meetings, log your monthly hours, and participate in our projects. Remember to keep it up so that we can have a great year!

For this month, we are keeping it chill and relaxed since many members are occupied with sports and the fourth quarter. However, I will definitely plan some in-person service projects for our seniors, who will leave very, very soon. As of right now, we may have volunteer opportunities for our school's annual Lū'au!

I hope that many of you can come and support Damien, as well as represent our Key Club as a community service organization. Let's keep up the great work!

CRANES FOR CANCER

Damien Key Club once again hosted the Cranes for Cancer service project. This is one of the club's many record-your-own hours service projects that members can participate in at any time, whether it be during their advisory period, before school, or at home. Members made origami cranes to donate to cancer patients.

Many students make paper cranes for fun so being able to donate their origami creations for a good cause is convenient and fun. These cranes are symbols of hope. Each crane that is made is folded with love and blessings that will, hopefully, bring a smile to the face of a brave cancer patient.

VOLUNTEERING FOR HCON

During April, our members volunteered for HCON at our very own school, Damien. Many of our volunteers came early in the morning, at 8 a.m., to assist those leading this event. We were assigned to different classrooms, where we would use our laptops to display slide presentations for workshops.

Additionally, we guided guests who were lost on our campus. When the event had concluded, our Key Clubbers went around to pick up trash and clean up the school. During our breaks, we were able to learn more about Key Club International, the Kiwanis Club, and much more. We must also recognize our advisor, Mr. Nitta, for sacrificing his spring break to clean up the whole campus and make it extra clean for HCON!
