EDITOR'S NOTE

Happy November everyone! I hope you guys had an amazing Halloween and October! Now it's time to get into the month of November which means new service projects, yay! We also welcome our other official Editor, Kaitlin Mercado, to the Damien Key Club Family. I'm so blessed to work side by side with you for the media aspect of Damien Key Club! Kaitlin's message to the fellow Key Clubbers: "I'm so grateful to take up this position and I'll continue to work hard!" On another note, all the dues and forms are in and all of you are officially Key Club members. Congrats and enjoy this brief message, Happy November!

-Lily and Kaitlin <3

NOVEMBER MESSAGE FROM THE PRESIDENT

Happy November, Damien Memorial Key Club members! Thank you all for turning in your forms and dues last month; it's exciting to see so many new members compared to our last term, and our board is in the process of planning more in-person projects for you all to attend.

This month is the month of the holiday of Thanksgiving, so our service projects are mainly focused on giving thanks to the people around us. This month, we are helping out at the Lo'i Kalo Mini Park in their Mud "Taro"-py service project, making hand turkeys for kupuna, and writing letters to mailmen, since they work in any weather conditions.

Break is coming up, which means more time for service! During break, please make sure to stay safe and spend Thanksgiving with the people you love, whether virtual or in-person. Although we will be on break soon, we'll be as active as we were in the past months, so expect more in-person service projects, since we can now bring more people outside! Still, you all can never be too safe, so as Key Club members, please do your part in wearing your mask and sanitizing.

UNICEF TRICK OR TREAT

Happy Halloween, Kiwanis Family! For this spooky October, Damien Key Club participated in the Trick-Or-Treat For UNICEF fundraiser! Members were given a small orange box where they would store their donations. The initiative for this event is to encourage people to raise money to help other kids in need.

Trick-or-Treat for UNICEF was created in 1950 by a Pennsylvania minister, Clyde Allison, his wife Mary Emma, and the rest of his family. They started this Halloween movement by collecting change to help children who were affected by World War II. In fact, during the 1950s, all UNICEF needed was a dime in order to provide 50 glasses of milk for children. 71 years later, this UNICEF event remains active and resourceful to children in need, and we are proud to continue this tradition.

Thank you to those who participated and donated. Damien's Key Club Board wishes everyone a safe and sweet Halloween!

KAPIOLANI REGIONAL PARK CLEAN-UP

On October 16th, 2021, Damien Key Club was scheduled to go to the Honolulu Zoo to help with the gardening. However, around one week before the scheduled date, the organizer pushed it back one week. Hastily, our hardworking board members came up with a backup plan: cleaning up the regional park next to the Zoo. From 10am to 12pm, around 20-30 Key Club members met up at the parking lot, split up into groups, and started cleaning the park. The amount of participants that showed up allowed us to split up the whole park and clean it efficiently. Although the park was standardly clean, there were many cigarette butts, napkins, takeout containers, etc. mainly on the tables. However, the grassy areas were mostly clean. It was a nice, sunny day for us to clean up. The heat wasn't unbearable, however, it was still prevalent. Overall, the park clean up allowed Key Club members to socialize and take care of our 'aina. For the 2 hours we were there, we were able to pick up trash bags almost filled with trash. Everyone was quite satisfied with their work and once our President said her final words, we all went our own ways.
