MEMBER
of the
MONTH

Jasmine Gabriel

Thank you for participating in the service projects this past month!

 -p up the good work!

EDITOR'S

NOTE

Hey key clubbers!

Truthfully I was too lazy to take a photo so I just used a photo from my senior portrait photoshoot 😊.

We've made it to the fourth issue of the *Monarch-Key*! Truthfully, I had a lot of trouble working on this issue because of things like art style changes, coloring differently, lack of motivation, lack of inspiration, etc, so if you're seeing this on the date it should be released, then I was able to push through! Woo~

Anyways, with that being said, the start of the 2020-2021 school year is right around the corner! With school starting means an influx of new students, and hopefully new members! I hope that you all will continue to participate in service projects and stay active, despite the current situation of the world right now. Seeing as this will be my last year at Damien, I do my best to complete my duties and will work hard to provide what is needed as a board member of this club!

If you're in the M-Z group, I'll see you at school! If not, I hope to see you again one day! Stay safe, and enjoy what remains of your Summer! (´•̣̣•̀)♡

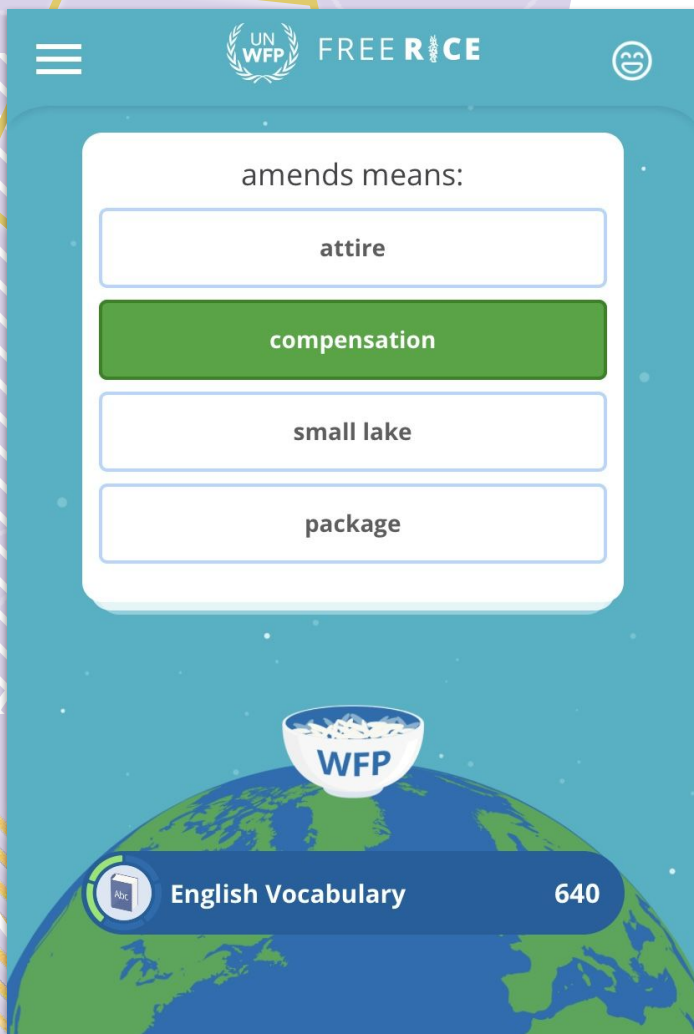

MESSAGE FROM THE PRESIDENT

Hey Key Clubbers!

Thank you to the members who have been actively participating in service projects. It's great to see that we all share the same passion in helping others. Speaking of which, guess what? If you didn't know about the fundraiser that our board held, we were able to raise \$536 for the Pediatric Trauma Program! Thank you to everyone who contributed to our fundraiser. I hope to continue seeing this passion and dedication to service throughout the school year despite the pandemic. Speaking of the pandemic, I know some of y'all are excited to see your friends at school, but please remember to distance yourself and wear a mask! The pandemic will end faster if we all work together to stop the spread.

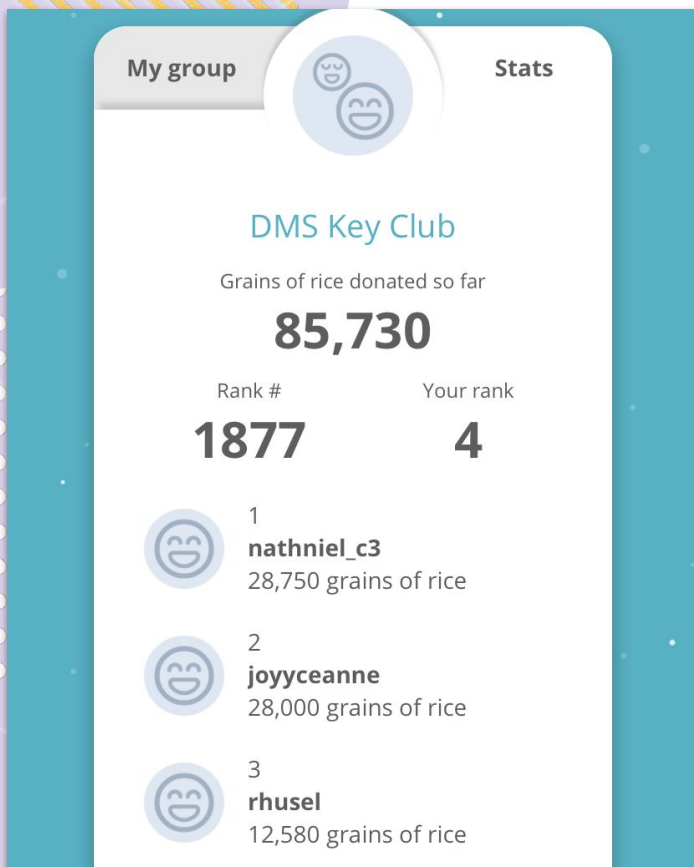

Hope to see you all soon at our next meeting! <3

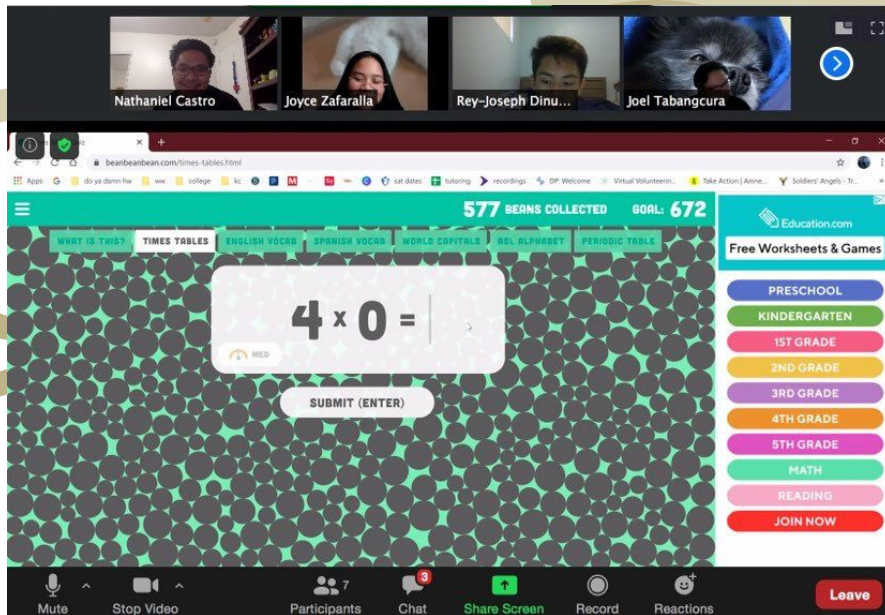

FREERICE

FRIDAY

In compliance with coronavirus restrictions, the board found a project that could be easily done at home. "Freerice" is a trivia game in which you earn 10 grains of rice per every question you answer correctly. Choosing from a variety of categories, one is able to help those less fortunate all while challenging their brain power. Through a number of different sponsors, the monetary equivalent needed for 10 grains of rice is donated. On July 3rd, 17th, and 31st, members of the club joined a zoom call from 4:00 PM until 5:00 PM. From their hard work throughout the month of July, as a whole, the club was able to answer over 8,000 trivia questions. This resulted in the donation of over 85,000 grains of rice.

BEANBEANBEAN

FRIDAY

Similar to Freerice Friday, BeanBeanBean Friday was a day where the club would assemble to use a website known as “BeanBeanBean”.

BeanBeanBean resembles Freerice as both are trivia games that allow the user to help contribute to ending hunger by answer trivia questions from a diverse selection of categories. However, instead of rice grains being donated, as the name implies, it is beans. For every question that is correctly answered, the monetary donation equal to that of 3 beans is donated to charities that focus on helping feed the hungry. From 4:00 PM to 5:00 PM on the fridays of July 10th and July 24th, members of the club earned thousands of beans. BeanBeanBean was a great way to test our knowledge all while collecting beans for charity.

PTP FUNDRAISER

PTP stands for the Pediatric Trauma Program which is a

program established by the CNH Foundation in 1994. This program is funded by donors and works hard to improve the outcomes of children who experience pediatric trauma by providing grants and PTP safety items. This past month, the board members of Damien's key club decided to do a fundraiser for PTP. However, it was not your average fundraiser. Board members willingly chose dares to carry out for a various amount of fixed price points—\$1, \$3, and \$5. By sharing the dares they chose to social media, the board was able to garner enough attention. Many donors took this opportunity to get their friends to do things that they normally wouldn't do. From TikTok dances to drinking straight lemon juice, from jumping into legos to the spicy noodle challenge, the board carried out their dares as promised. The fundraiser ended successfully with a total of \$536 being raised for the Pediatric Trauma Program.

important dates for the month of august

TBD
Park Cleanup

29
Social with
Castle

More service projects and events will be coming your way! At the moment, we are determining the dates and setting up times for service projects, fundraisers, socials, and meetings! Don't worry, there will be events for you to attend! School is going to start soon, so make sure you continue volunteering! Be sure to continue checking in with our club's instagram @damienkeyclub and the schoology page for more updates!

have a great summer! ('□'*)*
