# EDITOR'S NOTE

Hey key clubbers!

I hope you all had an amazing first month of the year! I've been enjoying my 2020 so far, so I hope you all are as well! I can't believe it's already February, January felt somewhat like a fever dream, but I'm not mad about it. Also, happy early Valentine's Day! If you don't have a valentine—like myself—then don't worry much, service can be our valentine. :')

Moving on—I hope you all will continue to participate in the service projects we find for you! We got this, like seriously—we're that cool like diamond distinguished. Not to toot our own horn, but we're seriously doing great. Let's keep up this pace and finish the school year strong!

Also, don't forget that we will be having our elections this Month! I hope to see many of you running for a position On the board! I can't wait to see who our next editor will be! #DamienKeyClubStrong! ('.•~•.' )♡

Also, look at my animal crossing island and character !! 🙄

# MESSAGE FROM THE PRESIDENT

Hey Key Clubbers,

I hope y'all had a great first month of the year! If you didn't know, our Key Club term actually works differently from the school year, so our term actually ends in March and starts in April. This means that we will be having our elections this month! To run, you have to be a paid member, fill out the service agreement for your position, and create a speech. Hopefully, we'll have some great candidates run this month. Remember, it doesn't hurt to try! :D

On another note, I'm extremely proud of everything we've accomplished this year, so thank you all for being so dedicated to service and to Key Club! I hope we can keep this spirit going until the end of the term and into the next term. I believe in y'all. <3

I don't have much to say, so enjoy the rest of the month. And, Happy Valentine's Day! (or Single Awareness Day if that's what you want to call it.) See y'all at our next meeting!

# LOVE LETTERS FOR LITERACY

Because daycares and schools are either closed down or partially reopened, many families are unable gain access to the tools needed in order for their children to expand their literary knowledge. Seeing how difficult it is for parents to prepare their children for reading beyond preschool, Love Letters for Literacy is a service organization that helps to promote early literacy. Using this opportunity, many members of Damien Memorial Key Club helped to teach the letters of the alphabet. By simply cutting out pieces of either plain or colored papers and writing letters, whether it'd be in Spanish or English, members were able to help teach the alphabet to children with a thirst for knowledge.

# PAPER BRIDGES

## DIGITAL LETTER SUBMISSION

Patricia Foronda  pforonda2023@da...

 Friend

O'ahu, Hawai'i

I've come on my winter holiday, I'm going to the beach with my friends and participating in service projects for Key Club. If you'd like to write back to me, I'd be honored to know more about you! Additionally, I hope that your holidays were joyfully and safely spent and that this letter brightens your day! |

- I** Indicate interests: What are some of your hobbies? Favorite foods? Favorite sports?
- D** Don't be afraid to be good! Tell a few jokes.
- G** Give a few fun facts: What would you do with a free day? What do you think a "kernoofel" is?
- E** Encourage! That's the whole purpose of the letter: to let orphans know there is someone looking out for them

The organization, Paper Bridges, was founded in 2017 by a couple of high schoolers. The nonprofit organization works in order to provide emotional support to orphans and vulnerable children everywhere all around the world. Letters written by people of all ages and backgrounds are sent to orphanages internationally with messages ranging between 100 to 500 words. In addition to sending letters, Paper Bridges also sends care packages. The letters—with the option to be written by hand or digitally—can be written in any language. Members of the club chose to send digital letters and they shared words of kindness and encouragement, aiding to Paper Bridges's mission in showing support to those vulnerable children all around the world.

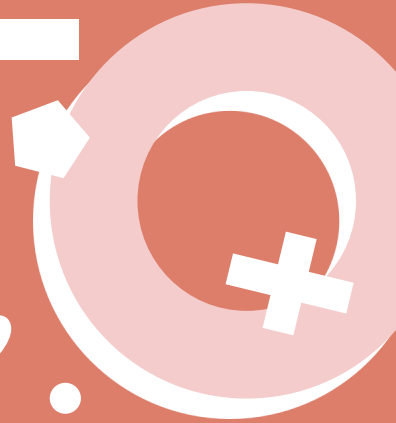

PLEDGES  
\$0.00

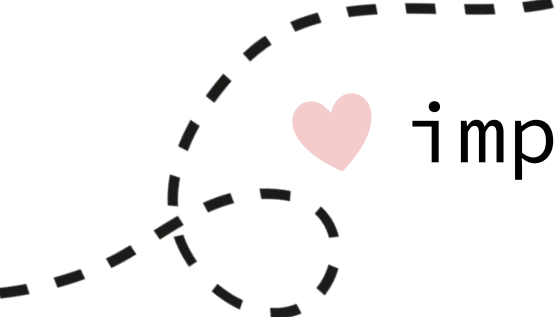

# CHARITY

# MILES

Members of Damien Memorial School are back at it again and are using the Charity Miles app in order to raise money to donate to UNICEF. With every mile tracked—whether it'd be by walking, running, or biking—one is able to have 25 cents donated towards the charity. As a club, solely for the month of January itself, members were able to accumulate 615 miles which converts into \$135.75 to be donated to charity. Not only were members able to get their exercise in and promote health practices, but they were also able to do a benevolent deed.
