# EDITOR'S NOTE

Hey key clubbers! Welcome to the third issue of *The Monarch-Key*! Thank you for taking your time to read through this month's issue, glad I'm able to keep the streak going! Anyways, if you're like me, you're having trouble wrapping your brain around the fact that it's already July! This means we've gotten through half of our Summer, and half of 2020! It's a lot to process, for me, this entire year has gone by in a blur. Fear not, however, as our club will continue to work hard in finding projects for you all to participate in! Please remember that, although it is Summer break, we should never stop participating in service! We're doing our best to provide projects for you, so be sure to do your part as a member of key club and participate! I'm truly grateful for everyone who has participated in the service projects this past month, and I'm sure the rest of our board members feel the same way. Be sure to follow our club's Instagram if you haven't already, and don't be afraid to contact our board if you have any questions at all! Stay safe, and have a great rest of your summer!

(´◡`.)♡

If you haven't noticed, my art style changes a lot depending on how much time I spend on the cover;; Anyways, if you want to listen to music, I suggest listening to Twice! Stream *More & More* and "Fanfare"!

# JOYCE ZAFARALLA MESSAGE FROM THE PRESIDENT

Hello, my fellow key clubbers!

If you haven't noticed yet, half of Summer break has already passed by. Crazy, right? The year 2020 has truly been hectic, and somehow we're only halfway there. I can only hope that everything that has been happening recently has shown to you how important service is and how important is for members like you to remain active in these times.

It is important that—especially now—we do our best and give our all to service. After all, you joined the club to do service, right?

Service never stops, and we especially shouldn't be stopping now. Give service the same energy you give when learning a new TikTok dance or when you're binge-watching that one show for the fifth time.

Imagine all the things you could be doing if you just put your mind to it.

We made a pledge to serve our home, school, and community. Are you honoring that pledge?

# CHARITY MILES

For this month, our club decided to download “Charity Miles”, an app that, as the name implies, tracks the miles you earn and allows these miles to be used to donate to charities of your choice. After making a group in the app, our club decided to donate to one of Key Club’s preferred charities: UNICEF. If you’re wondering where you’ve heard that before, they’re known for their Trick-or-Treat fundraising boxes! With every mile tracked, 25 cents are donated! One way we’ve been able to earn miles is through hiking! On the 20th, our board members

hiked up the Makapu’u Lighthouse Trail. Through hiking, jogging in your neighborhood, or even walking around the house, members are able to earn miles while exercising!

# PARK CLEANUP

On the 27th, members from our club met up at Neal S. Blaisdell Park, while wearing masks, with a task: pick up litter around the park. However, it was not just them, as members of Alaka'i Young Professionals joined our members in completing this task. While doing their best to abide by social distancing standards, the group broke off into three separate groups, each with five people per group. From 8:30 to 9:30, the members of each group walked around the park picking up litter left behind by visitors of the park.

# TOILETRIES COLLECTION

Seeing as coronavirus is still visibly affecting the way that inhabitants of the island live, it is necessary, now more than ever, to help donate to organizations that directly help those who are in need. On the 27th, in addition to holding a park cleanup, Damien Key Club held a toiletries collection drive. The club encouraged its members to bring all kinds of toiletries to be later donated to the Institute of Human Services, otherwise known as IHS. IHS is a non-profit organization dedicated to helping supporting those who are struggling financially by providing them with the basic necessities as they look for a decent, affordable home. On Saturday, the club collected over 20 toiletry items, from flushable wipes to shampoo.
