🔑-p up the good work!

# EDITOR'S NOTE

Hey key clubbers!

This newsletter is REALLYYY late, but it's the thought that counts right xx <3

Moving on—wow! It's November! We are now on Winter break—thank GOD—which means it's the holiday season! I seriously love the holiday season as Christmas is definitely my favorite holiday. I just love the way this season feels, even if we don't get to experience the snow. Since the weather's getting a bit colder, let's continue to stay safe so as to not get ourselves and others sick. Masks are important!

Anyways, with Winter break finally here, that means more people will be lazy—I'm people. I hope that, even though you'll probably be using most of this break to rest, you will continue to participate in service projects and attend meetings, socials, DCM's, etc.. Let's keep serving all year round guys, I believe in you! Don't forget to continue persevering, and let's end the year well together! (´•̣̣•̣̣`)♡

# MESSAGE FROM THE PRESIDENT

Hey everyone!

I hope everyone's doing great so far. Break is coming up, which means more time to do service! Be sure to stay safe and have a great Thanksgiving. You can never be too safe, so do your part in keeping your distance and wearing your mask. Although we will be on break, we still will continue to be just as active as the previous months! I'm super proud of how far our club has come so far and I know we can still do better! <3 Joyce

# CRANE MAKING

Cranes have been a symbol in Asian culture that represent good health, luck, love, hope etc. as they are said to live for 1,000 years. According to Japanese tradition, folding 1,000 paper cranes will give one the chance to make a wish come true. In other variations of the legend, it will grant one Happiness and good luck. Inspired by this tradition, Cranes for Cancer is a small organization located in Arizona that is dedicated to providing boxes of cranes to cancer patients in order to “bring hope and uplift spirits”. Damien Key Club joined hands with Waipahu Key Club, Kapolei Key Club and Alaka’i Young Professionals with Damien folding 1,042 cranes out of the 2,057 that was sent to the organization.

# SPOOKYGRAM FUNDRAISER

During the month of October, Halloween is the day that most people look forward to celebrating. However, it is more difficult to celebrate as usual with COVID-19 still affecting us. Recognizing this, Damien Key Club decided to hold a fundraiser to bring the spirit of Halloween to those celebrating from home, with half of the proceeds going towards our club and half going towards the virtual Trick or Treat box for UNICEF. 'Spookygrams' are goodie bags filled with 10 pieces of candy chosen by those donating to the fundraiser. Each candy-filled bag was handed out at the cost of a donation of \$2. Throughout the month of October, 128 orders were placed with an assortment of candies being requested. On the morning of Halloween, members of the board woke up early to decorate the bags with drawings done by hand and distributed or delivered the bags to those who donated.

# Thank you for writing a letter!

## LETTERS FOR ORPHANS

Founded in 2017 by high schoolers, Paper Bridges is a nonprofit organization working to provide emotional support to orphans and vulnerable children around the world. In order to share love and hope, letters written by people of all ages and backgrounds are collected and sent to orphanages internationally from the organization. These letters can be written in any language with a message ranging from 100 to 500 words and can be either handwritten or typed digitally.

Throughout the month of October, members of the club were given the opportunity to write letters to orphans through this organization. Since we are still experiencing a pandemic, members opted to type out letters digitally rather than send handwritten letters. Through this organization, members were able to share words of kindness and encouragement to orphans internationally.
