🔑-p up the good work!

EDITOR'S NOTE

Hey key clubbers!

Congratulations, you survived your first week back to school (woooooo)! It's been quite the start of the school year. I hope you've been keeping up with your grades.

Well, since we're online, I'm sure it wasn't too difficult—unless you're in ap biology with me.

Moving on, I'd like to welcome all the newest members of our club, both freshmen and upperclassmen! I hope you've filled out your forms and paid your dues, which I also need to do, and I'm really happy that you've joined our club! I hope that you continue to stay active throughout the entirety of this school year, as many people begin to lose interest after the first quarter.

If you still aren't sure of what key club is or how to sign up, take a look at the video explaining it on our club's instagram account @damienkeyclub. Feel free to ask the board members about any questions you have regarding the club! Most importantly, stay safe and take care of yourself! (´•̣̣̣•̣̣̣`)♡

MESSAGE FROM THE PRESIDENT

Hi everyone!

I hope school hasn't been too stressful since we started!

Remember to breathe and relax every once in a while. (:

Thank you to everyone who has been submitting in their hours and participating in service projects. You guys are the

reason why our club is doing so

well! Continue with the

hard work and I'll see

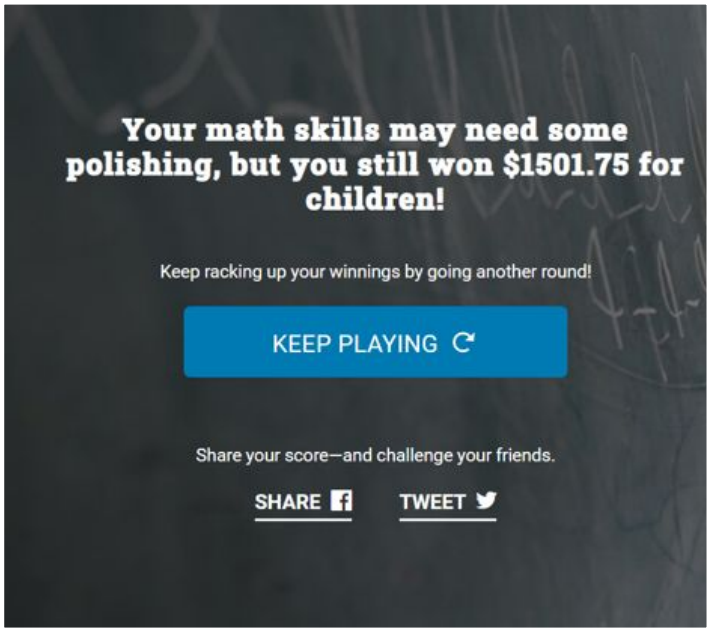

you at our next

meeting! <3

UNICEF MATH GAMES FOR GOOD

UNICEF Math Games for Good is a website created by UNICEF, in partnership with blue State Digital, with a goal of raising awareness for children who are having difficulties getting a proper education as well as out of poverty. Through their website, <https://www.unicefusa.org/math-quiz>, anyone is able to participate in the challenge. By answering nine simple equations, in a span of one minute, one is able to raise \$.25 towards UNICEF per every correct answer. Throughout the month of August, both members of the club and the board members were able to answer over \$3,90 worth of questions with all of the funds being donated to UNICEF.

SHAVE THE DAY

Shave the Day is an app that was created in partnership with Schick Xtreme to help the St. Baldrick's Foundation and help conquer childhood cancers. The St. Baldrick's Foundation is a not-for-profit organization that raises money to support childhood cancer research and is known for its events. The app is an interactive game in which one must doge obstacles while collecting coins and shaving heads, with the coins collected converting into a real donation to the foundation. Members of the club were given the chance to play the game throughout the entire month of August, earning up to \$100 in real money with each session. In total, the club was able to earn over \$1000 by simply playing the game.

ENCOURAGING BOOKMARKS FOR PREGNANT WOMEN

On the 29th of August, Damien Memorial Key Club attend a zoom call as part of an interclub project with Castle Key Club. Both of our clubs decided on doing a project together during a board meeting the previous week. We decided to create encouraging bookmarks for pregnant women as it was an easy and fun project that anyone would be able to do at home. All of the bookmarks that are created by both clubs will be emailed to the Venice Family Clinic that is located in Venice, California. Many people chose to create the original, rectangular bookmarks. These bookmarks were colored vibrantly and covered in all kinds of designs and encouraging messages for the expecting mothers. While many did those bookmarks, others created three-dimensional bookmarks. Some of the members folded paper to create bookmarks that took the form of different animals, such as bears, that can be hung off the page or in the corner.
