EDITOR'S NOTE

Happy August Key Clubbers, I hope you are all doing well! School has finally started, so things are about to get busy once again. I'm excited to work with you this year and I look forward to it. Since this is my last year at Damien, I'm going to give it my all to make sure we have an awesome year.

As it is the start of the new school year, we will be expecting new freshmen so be sure to make them feel welcome! Look forward to a variety of service projects in the future, and we hope to see you there. I hope you all had a relaxing summer and are recharged for the year ahead. Everyone on the board will do our best to ensure a successful term. I wish everyone the best of luck this year!

PRESIDENT'S MESSAGE

Happy August, Damien Memorial Key Clubbers? I hope this message finds you well, as it is the start of a new school year! I don't know about all of you, but I am extremely excited to be going back to school in person, as we will finally be able to resume "normal" Key Club meetings after school in the cafeteria, and Key Club will be more interactive.

As the new school year rolls around, we will be expecting new freshmen members, so please make them feel welcome and at home in our club. We want to make sure that Key Club is a safe haven for them to have fun all while serving their communities in the process. I want their freshman year in the club to be as impactful for them as it was for many of us upperclassmen, and I'm optimistic that with the new in-person service projects, more people will get out of their comfort zones and find their footing at Damien.

I hope that you all had a relaxing summer and are recharged for the academic year ahead. Look forward to a multitude of new service projects, too; the board and I have been working and thinking extra hard to ensure that Key Club is as enjoyable as we can make it for all of you. :) **2**

BOOKMARKS FOR PUBLIC LIBRARIES

Seeing as our Spotlight on Service Project topic for this month is “Children’s Education,” Damien Memorial Key Club members created bookmarks to distribute to the public libraries around the island. These bookmarks were handmade with construction paper, markers, colored pencils, and other craft supplies we had at home. We also received donations of bookmarks from our KIWANIS

sponsoring club, Alaka’i Young Professionals, after they heard about our project!

In addition to this project, our members will be holding a book drive for Literacy for Keiki Hawai’i, a Hawai’i-based nonprofit organization focused on expanding and teaching literacy to elementary school children around the island. Our donations of both used books and bookmarks will be given to the organization at the end of the month.

KAPI'OLANI PARK CLEANUP

This summer, Damien Memorial Key Club conducted a cleanup at Kapi'olani park. It was our first in-person service project for the month of July, and it turned out to be successful! From 10am-12pm, our members worked diligently to beautify the park and pick up any trash in the area. When we arrived, we split up into groups to cover more ground. Though it was hot, we got through it and were able to pick up plenty of garbage. Some areas had a lot of trash, particularly by the bathrooms and benches. Most of the garbage consisted of small items such as cigarette butts, pieces of paper, bottle caps, etc. but there was an occasional plastic bottle or bag. When everyone was finished, we gathered by the designated meeting spot and called it a day. The park was much cleaner than before, and we hope that this service project benefits our community by making it a safer place.
