Connor Angoco & Shysen Lopes

Congratulations to Connor and Shysen!! 🗝️-p up the great work!

EDITOR'S NOTE

Happy December Key Clubbers!!

Tis the season to be jolly... now it's that time of year again to blast Christmas music, bake cookies, and put up festive decorations! This past year has been quite hectic, but it has brought some very fun service projects, such as the beach and park cleanups as well as volunteering at the Children's Discovery Center. As we begin to prepare for the new year, I hope everyone will continue their service throughout this time of giving. Stay safe everyone, and make sure to enjoy the Christmas break to the fullest!

PRESIDENT'S MESSAGE

Happy December, Damien Memorial Key Club Family! The arduous 2022 is finally coming to an end, to say it is bittersweet is an understatement. 2022 has brought our club some of its best projects since pre-pandemic days: the Honolulu Zoo Peace Garden; the Lo'i Kalo Mini Park Mud Taropy; creating and donating tons of Christmas and school supplies to the charities around the island. This year has been our most active, and I, along with the other officers, hope to continue that streak into the new year. This is my last year as President, too, so I hope to make this last stretch the best that I can!

In terms of club business, we will be reverting back to an old, loved project: the Charity Miles Hike. Since it is the Christmas season, we will be donating toiletries to Catholic Charities Hawai'i. Please participate in these projects, because they are tailored towards upkeeping the Christmas

LOM PRAYER CARDS

This month, Key Club teamed up with Legion of Mary after school for a card-making service project. Members of both groups worked together to create prayer cards for St. Theresa School. They had the freedom to create prayer cards of any variety. They could be to saints, angels, personal prayers, etc. This project was a wonderful opportunity for members to utilize their creativity and artistic skills to write and decorate these beautiful cards for a good cause. These creative projects are a great way for members to serve the community within a cool classroom surrounded by friends and having fun decorating cards!

On a beautiful, sunny Saturday morning, Damien Memorial Key Club members met together at Ala Moana Beach for another beach clean up. Bringing trash bags and gloves, members walked throughout the beach to pick up any trash they saw.

DMS Key Club holds many beach clean ups because of the importance of maintaining the 'āina, or land. We all share a *kuleana*, responsibility, to work together to preserve the beautiful environment around us. Furthermore, this project reinforces Key Club's virtues of caring and character building, and Damien's virtues of respect, responsibility, and community-mindedness.

And what better way to *Mālama 'Āina* than doing it with friends and family?

BEACH CLEANUP!
