Thank you for your hard work!! :)

EDITOR'S NOTE

Happy February and early Valentine's Day Key Clubbers! Get ready for a barrage of corny pickup lines, candy, and a side of sweetness! I hope everyone's ready for the month ahead.

I'm proud to say that our other editors, Liz and Kai, have been re-elected as part of the Key Club Board! However, they will not be coming back as editors, but instead as our new President and Vice President!! I'm so proud to have called them my fellow editors, but it's kind of sad that the term is ending soon.

On another note, we will be having 3 new editors next term: Keanu, Elodie, and Caitlin! Please welcome them to the team, as they will be taking over in April. I'm confident that they will serve everyone well as the Key Club editors :)

Peace out,

Kaitlin, Liz, and Kai

PRESIDENT'S

MESSAGE

Happy February, and Happy early Valentine's Day, Damien Memorial Key Club Family! I hope you all are doing well and spending time with the people you love.

Seeing as last month, our campus and administration did not allow for in-person service projects, we were totally virtual, just like how it was before the pandemic. However, we are, fortunately, back to completing in-person service projects! During this month, we will be helping out the Charity Miles organization with another hike, making prayer cards with our Damien Memorial Legion of Mary, and creating Valentine's Day cards for the students at our school: lots of new service opportunities to spread love and joy throughout our communities.

Thank you all for submitting hours and visuals last month; please keep up the good work, because you all are making a difference.

TREES FOR KAIMUKI

Damien Memorial Key Club teamed up with Diamond Head State Monument to participate in another Trees for Kaimuki project. Members walked to the Peace Garden to get their hands dirty by completing various tasks to maintain and restore parts of the garden. Their primary tasks were to pull weeds and clear areas to allow for plant growth. They raked leaves and picked up fallen branches and rubbish around the garden.

Overall, this project was fun and hands-on. We were also able to enjoy the beauty and peace of the garden throughout and after the project. We hope our contributions will allow easier garden maintenance and improve a peaceful environment for the surrounding community to enjoy.

TAKE THE CHALLENGE

UNICEF MATH GAMES

This month, Damien Memorial Key Club members had another opportunity to perform service for the community from the comfort of their laptops. Members visited the UNICEF website to complete simple math problems. Each correctly completed math problem donates \$0.25 to UNICEF, helping children around the world receive the education that every student needs and deserves. Key Club Members could complete this service project during their homeroom period, before school, from home, and anywhere else. Being able to refresh your math skills and pass time with some fun math is a great and accessible way to contribute to a good cause.

IMPORTANT DATES FOR THE MONTH OF FEBRUARY!
