Thank you for being so involved in Key Club! We appreciate your hard work!

EDITOR'S NOTE

Happy February Key-Clubbers!! I'm so sad that we couldn't do too much outside projects this month, but I'm so grateful for the online opportunities we've gotten to act on our service! For the next upcoming months, we'll start to have more outside service projects, but we have to make sure to put safety first. Our president, Patricia Foronda, has been such a great president by planning as many projects while ensuring safety, and we thank her for all her hard work! Stay safe and stay tuned for February!!!!

- Kaitlin and Lily <3

PRESIDENT'S MESSAGE

Happy February, and Happy early Valentine's Day, Damien Memorial Key Club Family! I hope you all are doing well and spending time with the people you love.

Seeing as last month, our campus and administration did not allow for in-person service projects, we were totally virtual, just like how it was before the pandemic. However, we are, fortunately, back to completing in-person service projects! During this month, we will be helping out the Charity Miles organization with another hike, making prayer cards with our Damien Memorial Legion of Mary, and creating Valentine's Day cards for the students at our school: lots of new service opportunities to spread love and joy throughout our communities.

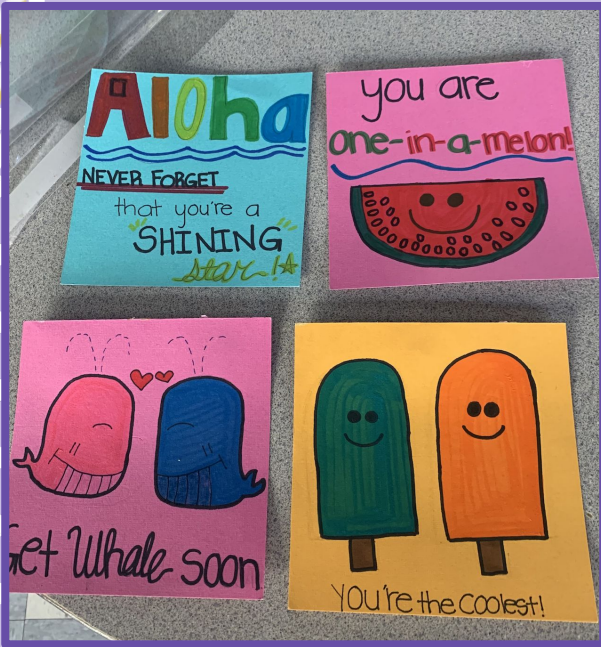

Thank you all for submitting hours and visuals last month; please keep up the good work, because you all are making a difference.

PAPER CRANES FOR CANCER

Known for its heartfelt story, paper cranes symbolize hope and healing. It is said that those who fold and string together 1,000 origami cranes will have eternal good luck, and their wishes will be fulfilled. In Japanese culture, cranes are referred to as the “bird of happiness,” and we hope to pass along our happiness to those in need of guidance.

Starting the new year off, Damien Key Club created paper cranes in hopes of a prosperous 2022, for all and those with cancer. We create these cranes to let those with cancer know that they are never alone and have so many people rooting for them. Damien Key Club has almost reached its goal of 1,000 paper cranes!

CARDS FOR HOSPITALIZED KIDS

Seeing as Damien Memorial went completely online for the majority of the month of January, Key Club members decided that one of the stay-at-home projects they wanted to participate in was Cards for Hospitalized Kids. For this project, members crafted handmade cards with different colors of construction paper, markers, and other art supplies to give to people their age who are battling health conditions in hospitals around the country. These cards were mailed to the organization's address and delivered to the patients to bring smiles to their faces during this arduous time.
