Congratulations to Diego and Kyla! 🗝️-p up the great work! So cute!! :D

EDITOR'S

Happy New Years Key

Clubbers!! I can't believe that it's the new year already! I hope everyone has had an amazing year so far, despite going back to school so soon. This year, Key Club will be full of more service projects and more opportunities, which I hope many people will continue to attend. I look forward to working with all of you for the rest of the Key Club term!

NOTE

Speaking of that, there's an upcoming Key Club election in February to determine the board members for the next Key Club term that will start in May. Although the end of the Key Club term seems far away, time will fly by fast. It's sad to think that the term will be ending, and the senior board members will be graduating soon. However, we will do our best to serve everyone with the remaining time we have as your Key Club board members.

PRESIDENT'S

Happy New Year and happy January, Damien Memorial Key Club members! I hope that break was relaxing for all of you, and that the first half of this school year's Key Club term was enjoyable for you. This January, we're focusing on beautifying our land through Trees for Kaimuki and the Honolulu Zoo Children's Discovery Forest.

We also have a couple of important events coming up this January. One is a conclave, and the other is our club election in February! If you do plan on becoming a board member, please prepare your short speech and email it to pforonda2023@damien.edu, so that I can

add you to our list!

Let's keep up with all of the strong project participation that has been happening in 2022. Continuing on with this topic, as the seniors and I prepare to head off to college, the club will be in your hands so please keep serving your community as much as you can!

MESSAGE

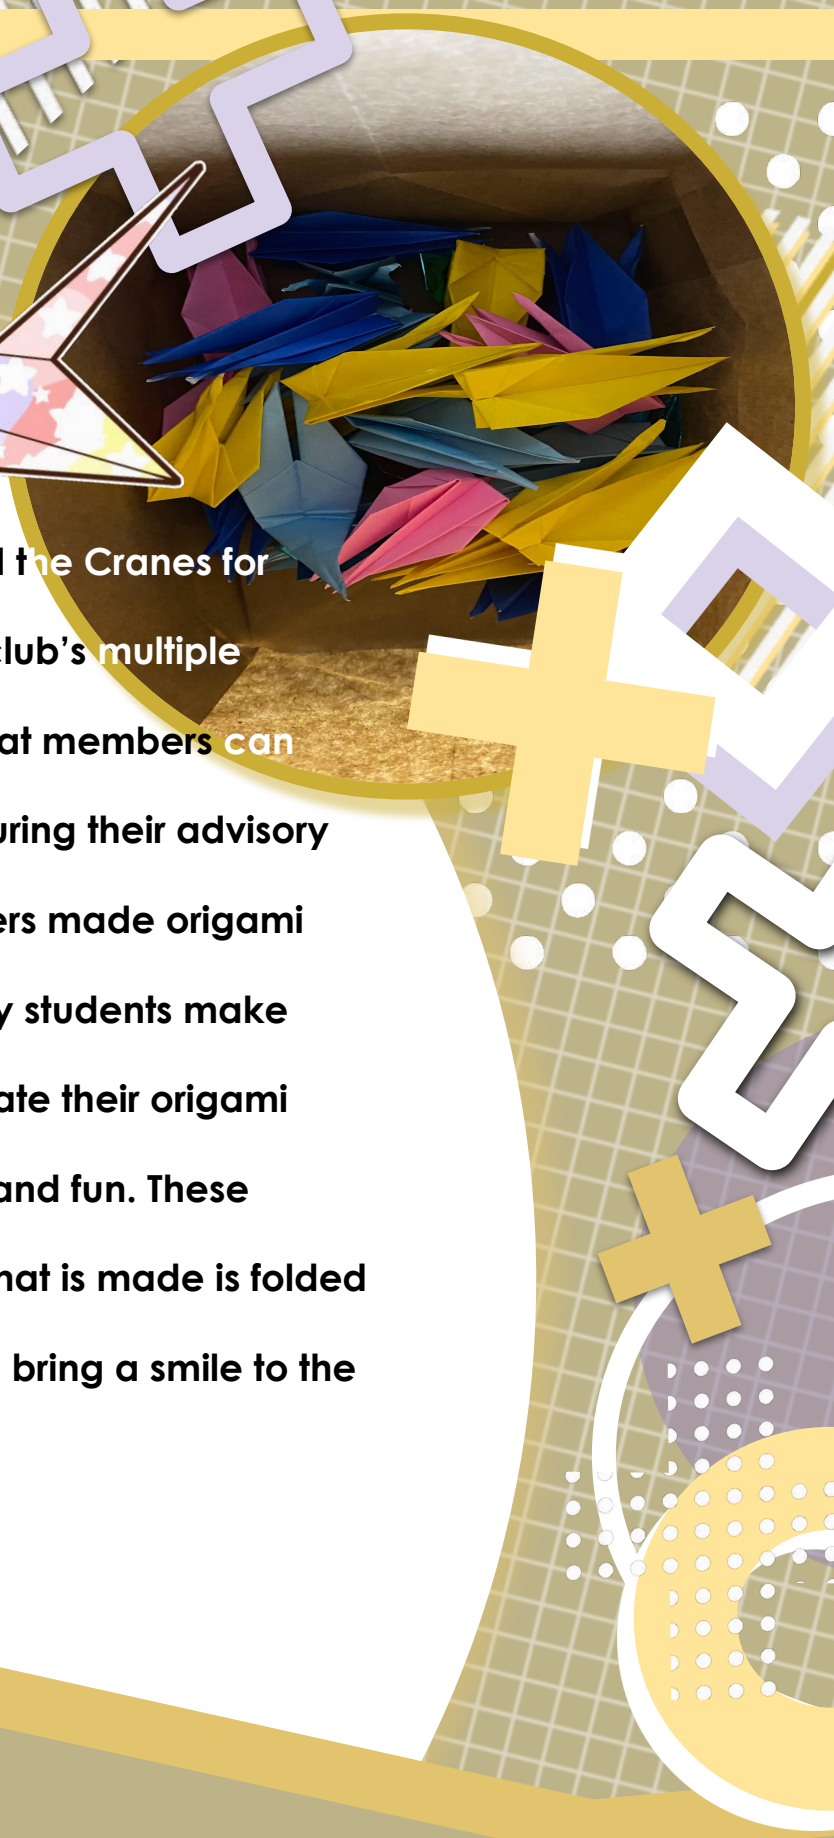

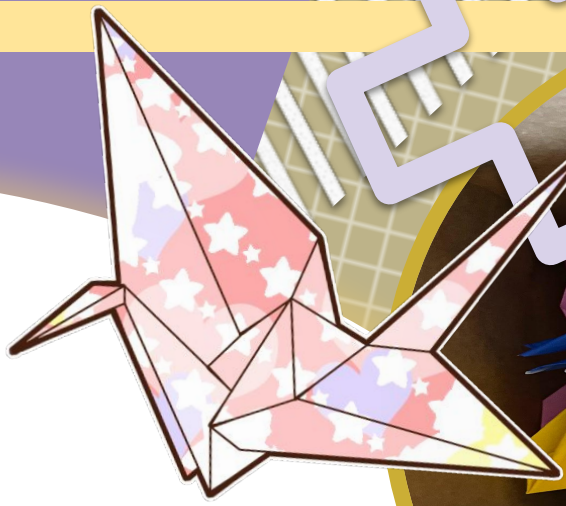

CANDY CANE & SNOWFLAKE MAKING

In honor of the upcoming Christmas season, Damien Key Club members gathered after school in Mr. Nitta's room for another artistic service project. Members had fun creating snowflakes to decorate Mr. Nitta's classroom door so Damien's students could walk past his classroom during the day and partake in the Christmas joy.

Christmas is an important time at Damien and many events are held in honor of it. It is important to teach that service does not always have to be to the less fortunate. Simply helping to decorate a classroom door can bring smiles to many students' faces during one of the most wonderful times of the year!

Damien Key Club once again hosted the Cranes for Cancer service project. This is one of the club's multiple record-your-own hours service projects that members can participate in at any time, whether it be during their advisory period, before school, or at home. Members made origami cranes to donate to cancer patients. Many students make paper cranes for fun so being able to donate their origami creations for a good cause is convenient and fun. These cranes are symbols of hope. Each crane that is made is folded with love and blessings that will, hopefully, bring a smile to the face of a brave cancer patient.
