Good job for staying active in Key Club's projects this month!

# EDITOR'S NOTE

Hey fellow key clubbers! It's already July, and we've been doing so well with staying active with our service projects and work. I'm so glad to be doing this term with everyone, it's been really fun and productive these first few months! Our board along with our advisors have been working hard to plan new service projects in the future, so stay tuned. Up next we have our president, Patricia Foronda, with her greetings then we'll proceed to the acknowledgment of some of the service projects for this month!

# THE PRESIDENT'S MESSAGE

Hey, Damien Memorial Key Clubbers! If you did not notice already, the first half of summer has flown by pretty quickly. Since the start of the term in April, our club has participated in almost 30 service projects, 2 fundraisers, and 2 training conferences, which is quite the amount of progress thus far. We've gained over 100 service hours in total and raised about \$150 for the Pediatric Trauma Program. You all should give yourselves a pat on the back for all of your work towards the club, whether it be a large or small contribution. Keep in mind that whatever action you do for your community can put a smile on at least one person's face every day, and I think that is enough to maintain your drive for service.

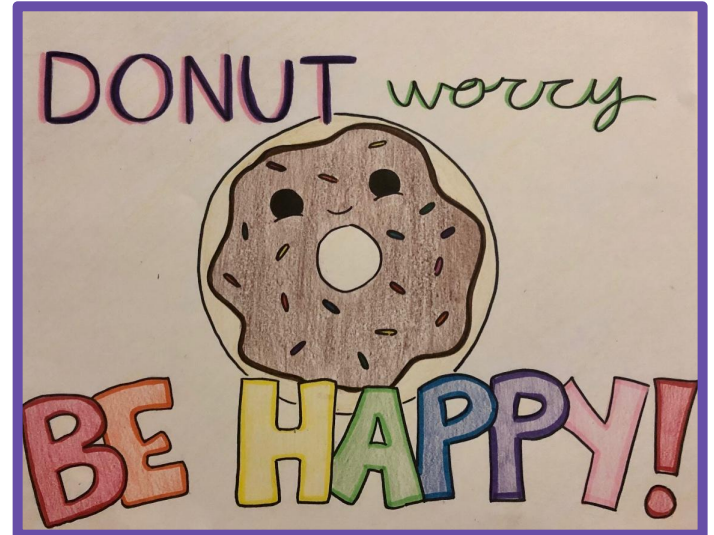

As for club updates, we will be initiating a Builder's Club---they are basically the middle school version of Key Club---this upcoming school year in the fall, so if you have any interested middle school siblings or friends, make sure to encourage them to join our approaching Builder's Club and fill out the forms when we send them out in August. I mentioned last year that one of my largest goals for this club was to expand our service to all the students at Damien Memorial, so please assist me in accomplishing that goal by reaching out to the middle schoolers in your life!

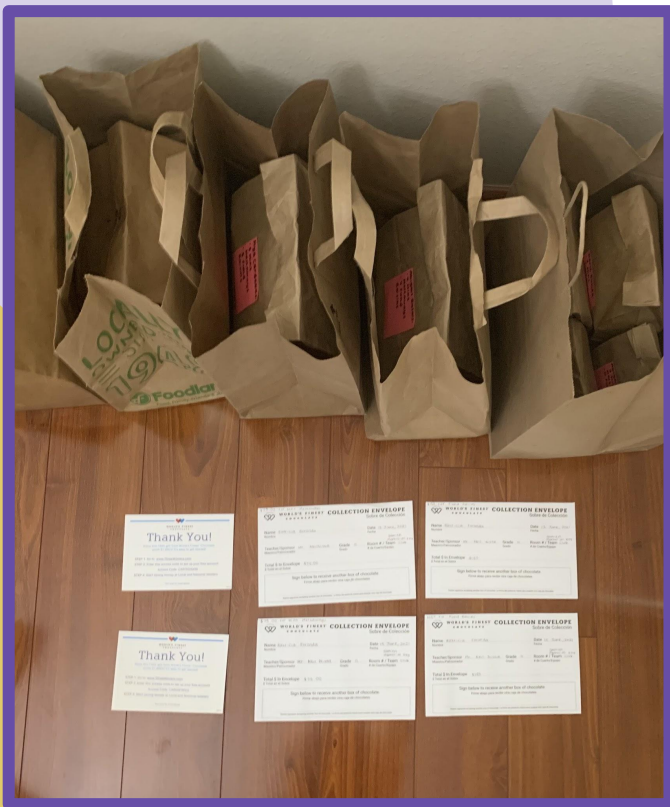

I congratulate you members on completing one-third of the Key Club term. Please continue to serve your home, school, and community by participating in our monthly projects and attending our general meetings every first and third Friday of the month. :)

# COLOR A SMILE

An inspired guy named Jerry Harris began the non profitable organization, 'Color A Smile,' in the early 1980's when he noticed the colorful artwork on his friend's refrigerator door. This had reminded him of his son, who he imagined would create a plethora of cheerful drawings. Thus, both him and his wife, Susanne, thought that the idea of collecting drawings from kids and sending them to senior citizens would bring joy to them and began sending artwork to local nursing homes.

30 years later, the organization has flourished, distributing more than a million drawings to this day, from all ages to all places. Members are able to commit more than 10 minutes of their day in hopes of putting a huge smile on someone's face!

# WORLD'S FINEST CHOCOLATE FUNDRAISER

2 types of chocolates bought and ordered as the entire board takes a sigh of relief. As this was our first fundraiser of the month, it was crucial for it to go as smoothly as possible. Planning the fundraiser was quite the challenge due to the many issues we ran into such as availability and pricing. Out of the many fundraising options we wanted to do, we decided to choose the World's Finest Chocolate as our fundraiser. After all the difficulties, we chose to sell Mint Meltaways and Fun Raisins. With all of our plans in check, we advertise our products as quickly as possible. The selling process was slow at first, however, in the end we were able to completely sell out on both products. We chose to hand out the chocolates on Saturday, June 19th from 10am to 11am. The day we handed them out was a complete success and everyone was satisfied with their order/results. The chocolates were absolutely delicious and worth the money. The money went to both Damien Key Club and the Pediatric Trauma Program. Although partnering with the World's Finest Chocolate wasn't our first choice, we were still able to make it work! The fundraiser was a complete success and we plan to continue partnering with them in future fundraisers. Thank you to those who supported our fundraiser!
