EDITOR'S

NOTE

Hi Key Clubbers, happy June! I hope you are all enjoying your summer break so far. Since it's summertime, we are hoping to plan more in-person service projects for you guys to participate in, so stay tuned for that! For the month of June, there are a lot of online service projects for you to do on your own, so make the most out of them before the school year starts. Stay safe everyone!

-Kaitlin :)

PRESIDENT'S MESSAGE

Hello, Damien Memorial Key Clubbers! We are almost through the first quarter of the Key Club term, and as of now, our club has accomplished a myriad of our goals, ranging from increased involvement with our sponsoring KIWANIS club to increasing our member count this upcoming school year. With the pandemic still going strong after a year, the board and I hope you all recognize how important service is and how important it is for members like you to remain active in order to aid those affected by the pandemic.

Keep in mind that the board and I are organizing more service events and learning opportunities for you, members, to participate in during the summer months, so stay posted with all of our emails and Instagram posts. You can accomplish so much during this time, if you put your mind to your work. Summer is the best time of the year to pick up on your service, and we still have 2 more months of summer break, so don't hinder your volunteering! There is also a blood drive on the 9th of this month, so if you know anybody who would like to attend, please let them know!

Thank you to all who have been completing monthly hours, going to meetings, and participating in the club in general. You are the reason why we are doing so well this early in the term! Please continue to assist your communities, because you are all making big differences in the world with each small action you take.

BLOOD DRIVE

Blood Bank of Hawaii
Hawaii needs more than 200 blood donors *every day.*

Did you know that all 18 of Hawaii's civilian hospitals rely on our donors to provide blood for everything ranging from cancer and burn treatments to surgeries and transplants. Your neighbors on every island need your support.

Damien Memorial High School
BLOOD DRIVE
Thursday, June 9, 2022
10:30 am – 4:30 pm
Band Room
Donations by appointment only.
To schedule an appointment, call (808) 848-4770 or visit bbh.org/#blooddrive
SPONSOR CODE 749

Visit bbh.org @bloodbankhawaii

✘ Recently, there has been a shortage in O negative blood in Hawai'i. O negative blood is the universal donor blood. To help with this, Damien Key Club has partnered with the Blood Bank of Hawai'i to combat this issue. Damien Key Club members have been making posters and getting donors to help the cause for weeks. It took a lot to organize, especially trying to find donors. The blood drive is on Thursday, June 9th from 10:30am to 4:30pm. If you are interested in donating blood, please email our lovely President, Patricia Foronda (pforonda2023@gmail.com). There are still a lot of open spots left and your contribution would be greatly appreciated! We hope to see you there!

TEACHER APPRECIATION LETTERS

Teachers play a major role in society, as they guide students to strive for prosperity and success. Their dedication towards shaping people to become leaders of the world may be overlooked at times... That is why these hardworking and thoughtful teachers are celebrated in the month of May. This year's specific week dedicated to teachers began on May 2nd, 2021, and ended on May 6th, 2021. During this month, Damien students devoted their time composing letters, creating cards, and even typing emails to represent their appreciation towards teachers.

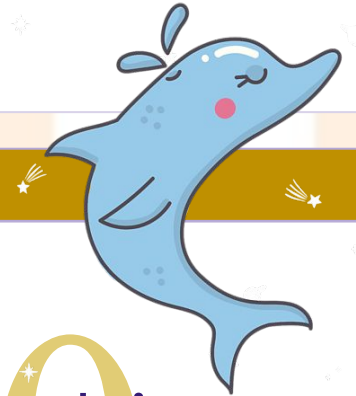

Damien Key Club would like to give a huge THANK YOU to teachers all over the world and to our Damien faculty and staff. Thank you for continuously supporting students in our lifelong odyssey towards abundance. Mahalo for also providing a safe environment for us, emotionally and physically.
