Catelyn Hee

Thank you for being a true Key Clubber! We appreciate your hard work this month!

EDITOR'S NOTE

It's spring Key Clubbers! We're happy we made it to the last few months of our term, but we're sad that they'll be new people for the new term. This upcoming month, Patricia planned so much outside service that we might have to lessen the amount of service projects to plan haha! Anyways let's embrace the time we have before spring break and have a service-tastic spring! Stay safe too!

- Lily and Kaitlin <3

PRESIDENT'S MESSAGE

Happy March, Damien Memorial Key Club Ohana! This term officially ends next month; can you believe it?! As my first year of being President of the club, the 2021 to 2022 term has brought me both a multitude of mental breakdowns and moments filled with jubilation. I appreciate and smile upon every service project, training conference, fundraiser, and DCM that occurred this year. In terms of updates for this month, we have a new in-person service project that isn't customary to our club's usual craft-making or land-beautifying session. On March 12, 2022, we will be partnering up with the team at Paepae o He'eia in Kane'ohe in order to restore and care for the He'eia Fishpond. Additionally, as Spring Break comes up this month, we will be volunteering again at the Children's Discovery Center for the entire week of March 14 to 18, 2022. Members will guide the kids through the camp and assist with their daily activities and playtime.

March is sure to be an eventful and renewing month for our club. Remember, if you are interested in signing up for any of the service projects listed above, you can do so in my bi-weekly Google Slides. :)

VALENTINE'S DAY CARDS

Happy Valentine's Day everyone! Even if you have a special valentine or not, Damien Key Club wants you to know that we adore and appreciate you! <3

Every Valentine's Day, Damien Key Club creates unique cards to place on students' lockers, and we have been continuing this tradition for as long as I can remember! This service project was held in Mr. Nitta's homeroom and took approximately an hour to complete. Each card has a different greeting and design. My favorite creation said, "I love you more than Boba," mainly because I believe that it's almost impossible to love someone on that level... Anyway, thank you to those who attended and spread the love around campus!

CHARITY MILES HIKE

Since restrictions have been beginning to be more lenient, Damien Memorial Key Club thought it'd be a good idea to start in person service projects off with a hike at Diamond Head. Members came to the hike to help to raise funds for UNICEF on the Charity Miles app. This project helped to raise money for charities while getting outdoors to enjoy the view of the top of Diamond Head. While supporting a good cause, you get a full exercise in at the same time as it helps to keep members active, too. Overall, the hike was a success as many members had come to earn service hours, enjoy the beautiful hike, and to support the cause of raising money for charity.
