### Hayden Mandaquit

Damien Key Club thanks you for a great job with being an active participant in service projects this month!

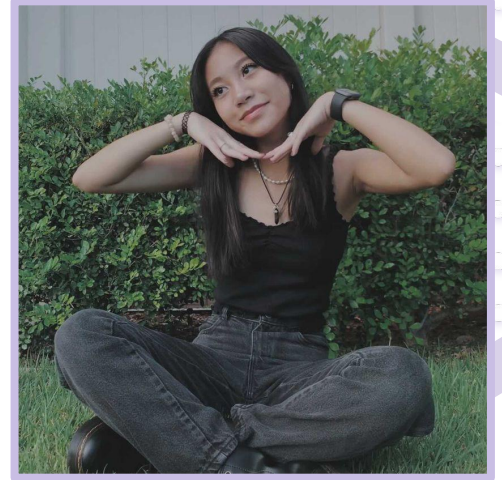

# EDITOR'S NOTE

Happy October! Wow, it's been a whole month since the last newsletter and I'm so proud of where we have come! There's been a lot of new service projects like the Birthday Card Making for Orphans that was held with the UH Manoa students (a big thank you to our former LTG Hollie Rader), the Coloring Pages for Children, and Suicide Prevention posters too.

Lots of new and exciting projects are coming in October and Patricia Foronda, our president is so excited to reveal the Halloween service projects! Be ready to get spooky for the month of October!

# PRESIDENT'S MESSAGE

Happy Halloween Month, Damien Memorial Key Club members! We are officially one-fourth of the way through the 2021-2022 school year, and I hope I can face the academic challenges the next 75% is going to bring me. If you have not turned in your forms and dues yet, this is the last month—last chance—for you to.

This month, we have a new fundraiser: Trick or Treat for UNICEF. You all will receive a cardboard box for the fundraiser, and you will have to raise at least \$20 by November 1. These funds will be going towards children's COVID relief in third-world countries as well as the Pediatric Trauma Program, which is an organization that prevents children from encountering life-threatening injuries.

Let's hope the fundraiser turnout is successful so that we can assist as many people as we can around the world with their daily lives.

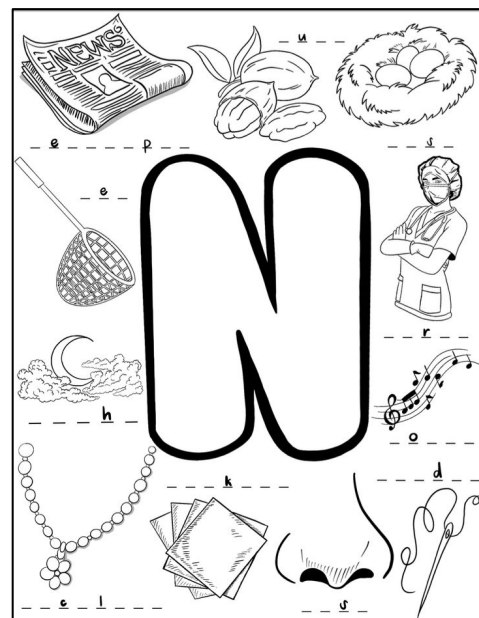

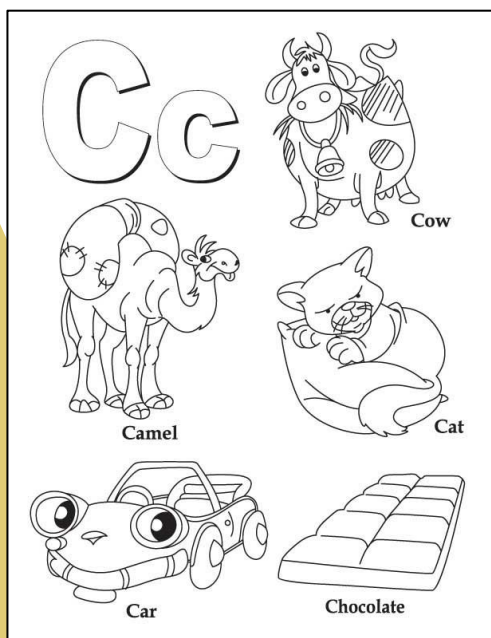

# SEPTEMBER CIRCLE K ORPHAN BIRTHDAY CARDS

Our Damien Key Club last year was a huge success with our club being ranked Diamond distinguished. This Key Club term, our board members decided to pay our retired Key Club members a visit through the UH organization, Circle K. The event was on September 12, 2021 at Kaka'ako Waterfront Park from 8am to 10am. Around 20-30 members from both Damien Key Club and Circle K showed up to the event and we all practiced social distancing. We all introduced ourselves, considering that more new Damien Key Clubbers joined us that day, and afterward separated into groups. Everyone, despite the masks, seemed very pleased with the project and was overall having a good time. We ended up making up lots of cards and they all came out pretty nice. Everyone seemed to get along pretty well and the project was overall smooth sailing. We ended the project with everyone satisfied with their work, took a group picture, and went off on our separate ways. The project was a success and we hope to partner up with UH's Circle K group again soon!

# COLORING PAGES FOR CHILDREN'S BOOKS

Kinesthetic learning can improve the way a person takes in information, especially young ones who have been learning the fundamental basics through the internet with recent circumstances. Therefore, Damien Key Club has created an alphabet coloring book, filled with engaging drawings and doodles! Each letter page is created by a different member, encircled by unique objects that begin with the same letter. We hope that our captivating coloring book will assist young ones to learn to their best ability. Thank you to those who signed up and participated!
