Congratulations Sheldon!!
Thank you for your service!

EDITOR'S NOTE

Hey Key Clubbers, happy October!! I hope everyone is doing well. I'm really excited for this month because it's finally spooky season, and you know what that means... dressing up for Halloween and LOTS of candy. Anyway, this month we will be doing our annual Trick or Treat for UNICEF donation box, which is a Halloween movement whose donations will be given to raise funds for UNICEF's lifesaving programs.

We also have a few other service projects in store for this month, such as the Trees for Kaimuki and October Special Olympics service projects. Patricia and the rest of us on the board have been working really hard to provide you guys with as many service projects as we can, so I hope to see you guys there! I look forward to more service projects with everyone in the future.

- Kaitlin

PRESIDENT'S MESSAGE

Happy October, Damien Memorial

Key Club members! It is finally the time for Halloween and gaining more calories from eating hordes of Halloween candy. On a more academic note, we have officially finished both our first quarter of school and our first quarter of Key Club. I hope all of you are keeping up your grades and motivation to complete all your schoolwork.

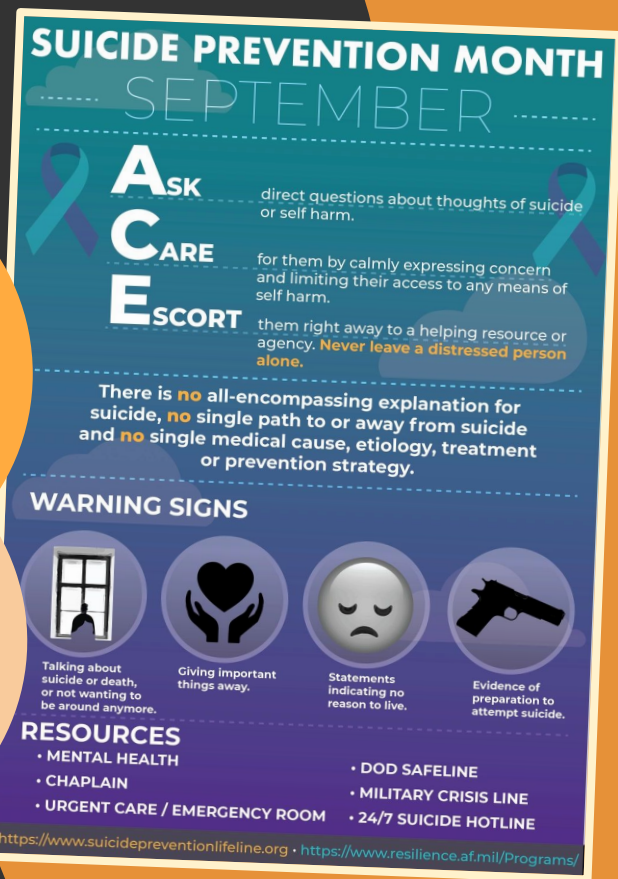

In terms of service, we will be participating in the Kroc Center's Special Olympics Project this month; please sign up for the project, if you haven't already. This is a great opportunity for you all to make a difference in the lives of people you have never met before, so please take advantage of this as well.

This month is also the last month for all of you to turn in your Key Club forms for this year. If you have not already, please do so by October 28 in Mr. Nitta's room.

OKINAWAN FESTIVAL!

September brought forth the Okinawan Festival at the Convention Center! Damien Key Club members, dressed in hair nets and gloves, were stationed at the yakisoba stand in the corner of the Okinawan Festival. Tasks included scooping yakisoba, garnishing the noodles, and retrieving drinks from festival attendees. They ensured that every customer received the same amount of food and was satisfied with their delicious Japanese food. Not only did they get to serve the community some delicious yakisoba, but they were also able to have a taste of a fast-paced work environment. Volunteers could walk around the festival after their shift to watch performances and enjoy the various celebrations.

SUICIDE AWARENESS INFOGRAPHICS

September is Suicide Prevention Awareness Month. Damien Key Club members created infographics to spread awareness about suicide prevention and mental health. They utilized creativity and research to make these infographics physically and digitally through websites such as Canva and Google Slides. Encouraging mental health, discouraging suicide, knowing and recognizing signs of suicide, and stress are only a few of the many things discussed in these infographics.

Year-long students should feel safe, welcomed, and heard inside and outside of school. Education is essential so that, as a Damien 'ohana, we can protect and look out for each other. This project helped volunteers express their creative side with unique designs while spreading awareness about mental health, an extremely prevalent topic today.
