We appreciate your newfound dedication to our club! Keep up the great work!

EDITOR'S NOTE

Hey Key Clubbers! It's officially the start of fall season and we're about a month into school! Honestly this year is going to be full of hard work, stress, and chaos but we'll get through it together! Our president and I, are so glad to see so many familiar faces and new ones too. Just make sure to keep up with the Key Club standards and the forms and dues, but besides that I'm really looking forward to meeting new people and working with many organizations to make the most of Key Club this year!

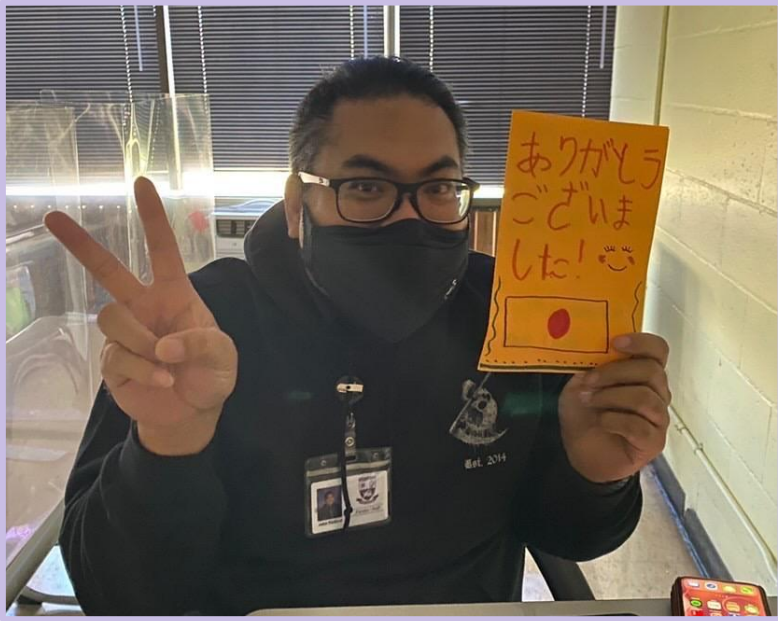

Thank you for all of you who have been helping to support the Damien Key Club and we're so excited to show you all the upcoming Halloween, fall, and winter service projects, so get ready and hope all is well with you guys!

PRESIDENT'S MESSAGE

Happy Fall, Damien Memorial Key Club members. It's exciting to see so many of you guys join our club this term; we increased from 35 members last year to 71 members—and counting—this year! Remember that if you are planning on joining the club again this term, turn in your six forms and \$22 dues by October 31, 2021 in order to be counted on our roster. All the information for the reapplication process can be found on my recent emails, and I'd be happy to answer any emails, texts, and direct messages for questions, comments, and concerns. We hope to see all the returning members back in the club!

Due to the newest COVID-19 situation with the rising numbers of cases on the island, in-person projects might be put on hold, and the most we can do for in-person projects are events after the general meetings. For the project on September 12, 2021 at the Kaka'ako Waterfront Park, we will be keeping the date, but the plans are subject to change. Let's cross our fingers and hope that project can continue safely!

WELCOME BACK CARDS!

Welcome back, Damien! Since school is back in season---and in-person---Damien's Key Club wanted to encourage our teachers and advisors for the upcoming school year. After school, on August 27th, both returning and new Key Club members were given the opportunity to participate in one of the first service projects together. Members were to create "Welcome Back Cards" for our teachers and advisors, using a variety of colored paper and art tools to creatively decorate their cards with fun designs and words. After students completed their cards, they were to gift their teachers and advisors personally, or digitally for the online students. Thank you to those who participated; it was pleasant to see all the returning and new faces this new term. Good luck this school year, Monarchs!

ALA MOANA BEACH CLEAN-UP

With school back in session and almost every student back in real-life classrooms, came in-person service project events. Because the vast majority of our projects last year consisted of card making and isolated service projects, we thought a good way to open up our school year is by doing an in person project! Since we live on an island, beaches aren't uncommon. We chose to clean up Ala Moana Beach for it's notorious status of trash on its grounds. We held it on Saturday, August 21st from 10am to 11am. When we arrived, we immediately split into groups, taking on sections of the beach park. The work was strenuous due to the humidity, rain, and lack of wind, however, we were still able to pick up lots of garbage. Most of the garbage consisted of cigarette butts, small pieces of paper/napkins, etc. Once the hour hit, everyone was quite satisfied with the garbage they collected and how much nicer our section of the beach park was. Afterward, we took our group picture and we were done.

Important Dates for the Month of September

12
Birthday Cards for Orphans

17
Coloring Pages for Children's Books

17
Dog Toys to Waipahu Dog Shelter

30
Donating Blood Infographics

30
