EDITOR'S NOTE

Hey Key Clubbers, happy September! It's officially the start of fall season, and it's already been a month since we've been back in school! Although it felt long, I hope everyone's school year has been going well so far. This year is going to be filled with many hardships, fun memories, and definitely a lot of service projects. So far, we have a lot of fun ones planned for everyone this month, so be sure to keep an eye open for them! A few service projects we will be volunteering for include the Hawai'i Special Olympics, K-Family Dance, and the Okinawan Festival. We are also holding both a book and clothing drive, so any donations would be greatly appreciated.

I wish everyone the best of luck getting through the rest of the school year! Make sure to be safe and healthy. Most importantly, thank you for your continued support and service to our Damien Memorial School's Key Club! We'll continue to update you of any service projects in the following months.

PRESIDENT'S MESSAGE

Happy September, Damien Memorial

Key Club members! It's finally time for autumn: my personal favorite month. In addition to that, it's also time for new school projects!

This month, we will be participating in the Hawai'i Special Olympics. Members will host, organize, and distribute awards and medals for the Hawai'i Young Athletes Program. The organization targets young children 2-7 and helps provide them with

foundational motor skills through some fun activities.

Additionally, we will be volunteering for the 2022 Hawai'i State Okinawan Festival for the first time! We will be at the yakisoba booth, so please come support our key club members and Onna Sonjin Kai, our sponsors for the project.

Thank you for submitting hours over the summer; please keep up the good work!

Another month comes with more service projects! Because so many people from last year loved it, we brought back Love Letters for Literacy! Love Letters for Literacy is when you make little flashcards of the English alphabet for preschoolers who are trying to learn English or Spanish. Cute handmade flashcards make learning English more fun and engaging! This project is an easy project as all it requires is colors, paper, and creativity! Key Clubbers are able to obtain hours easily through drawing, writing, and coloring. They did this on their own time and during a designated time after school in Mr. Nitta's room. Overall it was a fun experience to be a part of and I'm glad that our club was able to help out our community's keiki in a small, but beneficial way.

BIRTHDAY POSTERS FOR ORPHANS

We're so happy to bring back the old service projects from the past months!

And we give a big thank you to everyone who has contributed to our many service projects throughout the month of August. This month we made Birthday Posters, where we would create colorful, unique, and stylish posters for Orphans. As a club, we made sure to make sure that these cards were made nicely and appropriately and we thank those who spent their time working on this project! As a club, Birthday posters for orphans were a success. In the near future, we will be organizing this project again because it is enjoyable and many of the members love designing bright and their own idea filled birthday posters while benefiting their community.
